

About Us

Child Care Aware of NH is a Statewide Child Care Resource & Referral program through Community Action Partnership (CAP) Hillsborough and Rockingham Counties.

We are committed to serving all families seeking child care in NH, and we also work hand in hand with child care providers to increase quality for NH children. We are a resource to providers, supporting quality and growth through training, consultation, and technical assistance.

The Whole Family Approach

As a CAP program, we do more than just help you find child care. We use a Whole Family Approach to support everyone in your home, focusing on your family's overall well-being.

We can connect you to a full range of resources including: workforce & economic development, education services, health, food & nutrition, housing & community services, energy & utility assistance, and more.

Rockingham Counties**

For Families

Finding the right child care for your family is one of the most important decisions you'll make. Child Care Aware of NH simplifies this journey, offering:

- **Free, Confidential, and Tailored Referrals:** Our outreach specialists understand your unique needs, and connect you with quality child care options meeting your family's needs.
- **Expert Guidance:** Get answers to your questions about different types of care, licensing requirements, financial assistance, and what to look for in a quality program.
- **Resources & Support:** Access to resources on child health, safety, family wellness, and child development to support your child's growth.

For anyone looking for child care in New Hampshire.

**Every family
deserves access
to quality child
care, and every
child care
provider deserves
access to the
resources they
need to provide
that care.**

For Child Care Providers

Child Care Aware of New Hampshire helps improve the quality of care for children and families by supporting child care providers statewide.

- **Professional Development & Training:** Get flexible training options—day or evening—that meet NH licensing requirements and support state initiatives.
- **Technical Assistance (TA) & Support:** Receive one-on-one, customized guidance from our regional TA Specialists. Access support and expertise by phone, email, or on-site visits to strengthen your practice and build professional relationships.

Child Care Aware of New Hampshire also facilitates the **TEACH Early Childhood Scholarship Program** and the **Early Childhood Education Apprenticeship Program** for the state of New Hampshire offering financial aid, professional development, and career advancement opportunities.
